

GUBESCH GROUP

PLASTIC FROM  
**THE EXPERTS.**

YOUR PLUS IN PLASTICS +

YOUR BENEFITS:

## THE POWER OF A STRONG GROUP.

**In autumn 2017 HBW-Gubesch became the GUBESCH GROUP. How come? Due to continuous growth over the last few years and decades, we had reached a size that necessitated a restructuring and broader management of our family business.**

As a full service company that will competently accompany you from the initial idea through to series production and after-sales service, our expertise in plastics is **fully geared to your needs**.

At our three locations in the Nuremberg Metropolitan Region, we cover the entire spectrum of plastics processing and are thus able to impartially advise you so that your production is **as efficient as possible**.

**Come and see our plastics expertise for yourself by booking an appointment on-site!**

YOUR BENEFITS:

## THE WHOLE WORLD OF PLASTICS UNDER ONE ROOF.

- + over 40 **injection-moulding machines** for numerous types of plastics
- + can be combined at any time with various decorating processes in the **DecoMolding** section
- + **thermoforming** machines for sheet and roll manufacturing
- + a wide range of technologies for **building prototypes**
- + in-house **tool and mould making**
- + various **coating** options – paint, metal or print coating
- + consultation given during the entire process chain up to **serial production**
- + coordinated to your needs

YOUR BENEFITS:

# IDEAS WITH ADDED VALUE.

We develop processes that will give you a leading edge!  
Be it with more efficient production or with innovations  
and aesthetic products for you to win new clients.

**Talk to us, tell us about your vision – we will make it a reality!**
